

## Directions to Cambridge Innovation Center:

Cambridge Innovation Center is located on the 5th, 9th, 10th, 11th, 13th, 14th, and 16th floors at One Broadway, just across the street from the Cambridge Marriott Hotel and the Kendall Square MBTA subway station. Our main reception is on the 14th floor.

[Get Customized Directions](#) or use the directions below:

- By 'T'
- From [points South](#)
- From [93 North](#)
- From [Logan Airport](#)
- From the [Mass Pike](#)

**By 'T'** Take the Red Line to the Kendall Square/MIT stop. Exit the T and turn until you are facing the Longfellow Bridge. Walk toward the bridge and look to your left. One Broadway is the tall, gray cement building with vertical windows. Cambridge Innovation Center is on the 14th floor.

**From points South** Take 95N to 93N and proceed through Boston to exit 26(Cambridge/Storrow Drive). Follow signs for Storrow Drive, then take the Kendall Square/Government Center exit (on left). At end of the ramp, bear right to Kendall Square and go over Longfellow Bridge. You are on Main Street, which becomes Broadway shortly after the end of the bridge. One Broadway is the tall,

gray cement building with small, vertical windows on your right. Cambridge Innovation Center is on the 14th floor. Parking is available underneath the building on the Third Street side.

**From 93 North** Take Exit 26 to Storrow Drive/North Station. Stay in left lane toward Storrow Drive. Go up ramp on far left (Government Center/Kendall Square) and off ramp to right onto entrance of Longfellow Bridge. Go straight over Bridge. You are on Main Street, which becomes Broadway shortly after the end of the bridge. One Broadway is the tall, gray cement building with small, vertical windows on your right. Cambridge Innovation Center is on the 14th floor. Parking is available underneath the building on the Third Street side.

**From Logan Airport** Exit the airport and go through the Sumner Tunnel (\$2 toll). Proceed to 93 North, then proceed to Exit 26 (Cambridge/Storrow Drive). Follow signs for Storrow Drive, then take the Kendall Square/ Government Center exit (on left). At end of the ramp, bear right to Kendall Square and go over Longfellow Bridge. You are on Main Street, which becomes Broadway shortly after the end of the bridge. One Broadway is the tall, gray cement building with small, vertical windows on your right. Cambridge Innovation Center is on the 14th floor. Parking is available underneath the building on the Third Street side.

**From the Mass Pike** Take the Mass Pike to Exit 18 (Cambridge/Allston) and get in right lane. Drive over bridge and take right onto Memorial Drive. Follow Memorial Drive past the BU and Mass Avenue bridges. Take a left on Wadsworth Street, toward Kendall Square. Take first left onto Amherst street, and follow to end. Take right on Ames street, at second set of lights, take a right onto Broadway. At first set of lights, take left onto Third Street. One Broadway is the tall, gray cement building with small, vertical windows on your right. Cambridge Innovation Center is on the 14th floor. Parking is available underneath the building on the Third Street side.
